

**Our patients inspire us
to provide the most
amazing care anywhere.**

SHRINERSCHILDRENS.ORG

**Shriners
Children's**

HISTORY

- The idea for the hospitals was inspired by Forrest Adair from Yaarab Temple in Atlanta
- First hospital opened in 1922
- 100+ years of Shriner Support
- Over 100 locations worldwide
- Children are treated regardless of ability to pay
- Closest hospital is Greenville, SC - a pediatric orthopedic hospital

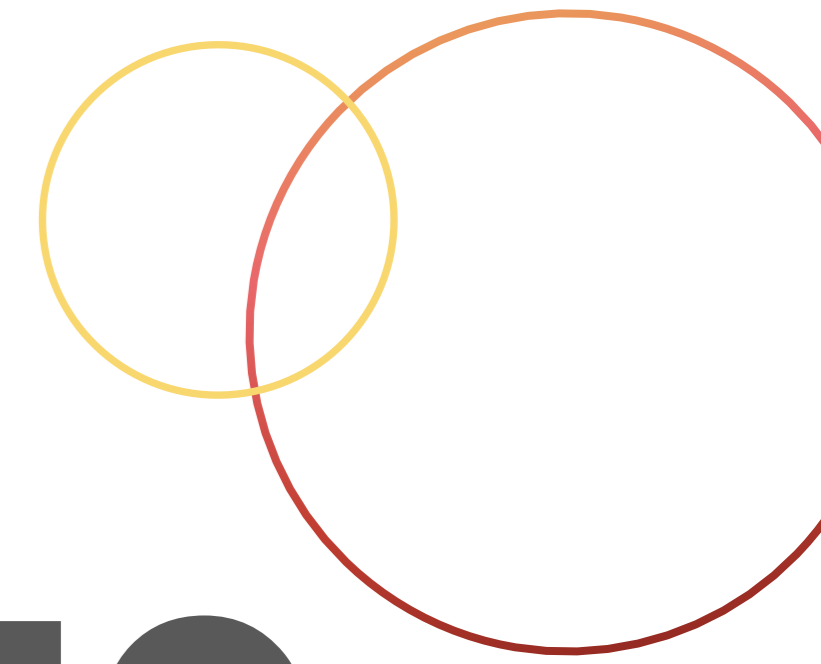

MISSION

Shriners Children's is committed to compassionate high-quality care that improves children's lives in a family centered and collaborative environment.

“At Shriners Children's, we are committed to reaching as many children as possible, wherever they may live, and offering them our unique, patient-centered, wraparound care.”

SHRINER KIDS

THE FUTURE...RESEARCH

Shriners Children's will establish a first-of-its-kind pediatric medical research facility at Georgia Tech's Science Square in Atlanta, Georgia.

“The close partnership with the outstanding biomedical engineers and scientists from Georgia Tech and Emory University will accelerate discovery and spearhead new treatments and therapies.”

Dr. Marc Lalande, Shriners Children's Vice President of Research Programs
